

FINANCIAL AID

Opportunities for financial aid are available at St. Mary's Episcopal Day School. There are limited funds for scholarships, both over the school year and on an emergency basis. Due to limited scholarship funds, St. Mary's is unable to provide a full scholarship for any child at this time. Scholarships of *up to 25%* are available to students based on his/her family situation. Admission to and financial aid at St. Mary's Day School most emphatically does NOT discriminate on the basis of race, color, creed or country of origin.

Applications for aid are confidential and are reviewed by a committee, which then makes recommendations to the board, without identifying information. Please see the Head of School for an application. Your most recent tax return must accompany your application, as well as a letter explaining any special circumstances.

It is the goal of St. Mary's Day School that finances should not exclude any child from attending School; however, we recognize that families have financial limitations and we respect the choices parents must make.

St. Mary's Episcopal Day School seeks to uphold our sacred trust to provide a safe and loving atmosphere where each soul develops spiritually, mentally and physically.
